## **Running Blind (Acoustic Version)**

## **Godsmack**

Can't find the answers
I've been crawling on my knees
Looking for anything
To keep me from drowning
Promises have been turned to lies
Can't even be honest inside

Now I'm running backward

Watching my life wave me goodbyeRunning blind

I'm running blind

Somebody help me see I'm running blindSearching for nothing

Wondering if I'll change

I'm trying everything

But everything still stays the same

I thought if I showed you I could fly

Wouldn't need anyone by my side

Now I'm running backward

With broken wings I know I'll dieI'm running blind

Running blind

Somebody help me see I'm running blind

Running blind

Running blind

Running blind
