It Ain't Over

Meja

Right, out of my life
out of this house
out of our home
and I'm all alone-now I'm all alone
Gone, gone like the wind
nothing can change me
deep within
what I feel is true, I'm a fool for you
How long
will it take for you to see
that in my reality
It ain't over
Why, oh why
ain't it worth another try
and if it hurts to say goodbye
It ain't over, oh no. It ain't over
I call out your name
I hear your voice
but nothing's the same
cause I'm all alone-yes I'm all alone

I tried to believe it
I tried to conseal it
but it just won't do, I'm a fool for you
How long
will it take for you to see
that in my reality
It ain't over
Why, oh why
ain't it worth another try
and if it hurts to say goodbye
It ain't over, oh no. It ain't over
[Solo]
How long
will it take for you to see
that in my reality
It ain't over
Why, oh why
ain't it worth another try

and if it hurts to say goodbye
It ain't over, oh no. It ain't over
