

# Mother Earth (Live from Macon 4/13/96)

## Gov't Mule

You may high hat me all the time  
You may never go my way  
Mother Earth is waitin' for you  
That's the debt you got to payI don't care how great you are  
Or what you're worth  
When it all comes down  
You got to go back to Mother EarthYou may own half a city  
Diamonds and pearls  
You may have your own airplane  
You may fly all over this worldDon't give a damn what you 're worth  
When it all comes down  
You got to go back to Mother EarthPlay the horses, baby  
You may own the race track  
You may have enough money,  
To buy anything you lackDon't care how great you are  
Don't give a damn what you 're worth  
'Cause when it all comes down  
You got to go back to Mother EarthYou may high hat me all the time  
You may never go my way  
Mother Earth is waitin' for you  
That's the debt you got to payI don't care how great you are  
Or what you're worth  
When it all comes down  
You got to go back to Mother Earth
