

Have Yourself a Merry Little Christmas

[Luther Vandross](#)

Have yourself a Merry Little Christmas
Let your heart be light
From now on our troubles will be out of sightHave yourself a Merry Little Christmas
Make the yuletide gay
From now on our troubles will be miles awayHere we are as in olden days
Happy golden days of yore
Faithful friends that are dear to us
Gather near to us once moreThrough the years we all
Will be together if the faiths allow
Hang a shining star upon the highest bough
And have yourself a Merry Little Christmas night
