

# I Don't Want To Change The World

[Ozzy Osbourne](#)

Standing on the crossroads, world spinning round and round  
Know which way I'm going, you can't bring me down  
Don't you try and teach me no original sin  
I don't need your pity for the shape I'm in I don't wanna change the world  
I don't want the world to change me  
I don't want to change the world  
I don't want the world to change me Tell me I'm a sinner, I got news for you  
I spoke to God this morning and he don't like you  
You telling all the people the original sin  
He says, he knows you better than you'll ever know him I don't wanna change the world  
I don't want the world to change me  
I don't want to change the world  
I don't want the world to change me You know it ain't easy  
You know it ain't fair  
So don't try to please me  
Because I really don't care Don't tell me stories 'cause yesterday's glories  
Have gone away, so far away  
I've heard it said there's a light up ahead  
Lord I hope and pray, I'm here to stay Tell me I'm a sinner, I got news for you  
I spoke to God this morning and he don't like you  
Don't you try and teach me no original sin  
I don't need your pity for the shape I'm in I don't wanna change the world  
I don't want the world to change me  
I don't want to change the world  
I don't want the world to change me I don't wanna change the world  
I don't want the world to change me  
I don't want to change the world  
I don't want the world to change me
