Too Far

Val Emmich

if i gave you time and i gave you space,
if i gave you love and all my faith,
would you come out,
come out whereever you are,
give me something worth fighting for,
so im not walking out the door.cos we've come too far,
we've come too far,can you tell a lie when you speak the truth?
do you miss the things that you never knew?come out, come out,
so you can see,
all i ever needed was to be cut free,
so im not walking back and forth,cos we've come too far,
we've come too far,come out, come out,
wherever you are,
now theres something worth fighting fo,
and im not walking out the door,come out, come out,
so you can see,
all i ever needed was to be cut free,
so im not walking back and forth,now we've come to far,
we've come too far,
we've come too far,
we've come too far,
