Carolina

Parmalee

Home is where my heart is still beatin'
I don't know when I'll see her again
I hate to see her cry when I'm leavin'
Now I'm a thousand miles away againAnd she feels like Carolina, looks like California
Shining like those New York lights on Broadway
When she looks back I'm behind her
I'll always be there for her
She makes me feel like home's not so far away
She feels like CarolinaIt's hard to understand the way I'm living
And I know you think I'm never coming home
But I miss your pretty smile, and I'm coming back in a little while
But I'm a thousand miles away againAnd she feels like Carolina, looks like California
Shining like those New York lights on Broadway
When she looks back I'm behind her
I'll always be there for her
She makes me feel like home's not so far awayNo matter how far I go, you know I can't stop thinking about her
And there's nothing like the way I feel, the way I feel when I'm beside her
Oh, oh, oh, oh
Oh, oh, oh, ohShe feels like Carolina, looks like California
Shiny like those New York lights on Broadway
When she looks back I'm behind her
I'll always be there for her
She makes me feel like home's not so far away
Carolina, California
Like home's not so far away
She feels like Carolina, looks like California
She makes me feel like home's not so far away
She makes me feel like home's not so far away
