

# Nervous In The Light Of Dawn (Morgan Page Remix)

## Leigh Nash

Dreamed I was in a desert, without any luck  
Storm-gray clouds, hovering above  
Silence all around me, I was wandering alone  
And I realized, there is nothing, anyone can really own[Chorus]  
And I wished for guidance, and I wished for peace  
I could see the lightning, somewhere in the east  
And I wish for affection, and I wish for calm  
As I lay there  
Nervous in the light of dawn  
As I lay there  
Nervous in the light of dawnIt's hard to change, and it's hard to lose  
It takes years for us, to be made smooth  
You can use up our love, yeah, precious energy  
To be tossed like a shell, from the hungry seas[Chorus]Hold me, in your arms, until I fall asleep  
I'm so tired  
Hold me[Chorus]
