

Speak To Me

Mary Mary

Speak to me, Lord, speak a word of life
That I might hear what thus sayeth, oh God
It's the still small voice that I wait for so
Speak to me, Lord

Speak to me, Lord, speak a word of life
That I might hear what thus sayeth, oh God
It's the still small voice that I wait for so
Speak to me, Lord

Searching everywhere 'cause we are looking for
The where's and why's and how to fill our deepest void
But Your words, they bring all that we need
So speak to me, Lord

Speak to me, Lord, speak a word of life
That I might hear what thus sayeth, oh God
It's the still small voice that I wait for so
Speak to me, Lord

Whether it be loud and clear, or still and small
Whether it be much or short and simple
Whatever it may be just as long as You
Speak to me, Lord
Speak to me, Lord
Speak to me, Lord
Speak to me, Lord
Speak to me, Lord
Speak to me, Lord
Speak to me, Lord
Speak to me, Lord
Speak to me, Lord
Oh, we're listening
