I am the ghost  
Provocative  
That's what I wantA cha-charger  
Everything is supposed to get in  
I just don't know where I'm a-getting from  
A cha-charger  
What is the cause of it, and  
Well in that case, how do you know it's your own?  
A cha-charger  
What do you say now?  
Thought you could use it when the flowers have grown  
A cha-charger  
What did you do in it?  
I bet you're racing it, I'm left in a stew, shukuchiA cha-charger
