

Kama Utanipenda (feat. Rich Mavoko)

Darassa

Verse1 darasa

mrembo njoo tujenge malengo

Nikikutazama naona nyufa kwenye mjengo

unaonekana kama mjii wenye upendo

unafanana na mtu alo choshwa na mwendo

sinikupe namba yangu unipigie (weekend (weekend beby)

moyo unasema mchukuwe mtoto yuko stendi

vile anavyo hema sio kama mtu hapendi

Anauelewa mziki anahofia kuucheza Anasema na lugha chafu,ameshakuwa kifimbo cheza! Sema nini na marlaw nabembeleza kwa sera za Suma Lee nakula chungwa mpaka chenza eeeh,

shida kujiuguza mama you hot na uko ndani unaniunguza

staki kujua,hata nikijua nitapuza ukitaka kula bata uache kumchunguza Aah!

Kama utanipenda sitojali shida ulizo beba Na kama unataka kucheza katafute refa wa kukubeba

Nakama utanipenda sitojali shida ulizo beba Na kama unataka kucheza katafute refa wa kukubeba
Corpus
