Hello Again

The Cars

Hello, hello again
Hello, hello againYou might have forgot the journey ends
You tied your knots and you made your friends
You left the scene without a trace
One hand on the ground, one hand in spaceOh you passed on mercy, you tried the rest
You gave your body, you gave your best
Stare at the green door livin' in the sky
You don't wanna know it, you just wanna flyHello
(Hello)
Hello again
(Uh oo mmm hmm yeah)
Hello
(Hello)
Hello again
(Ah hmm, that's right)I know
(I know you're a dreamer)
Mmm mmm, who's under the gun
I know
(I know you're a dreamer)
Who's only just begun(Hello)
Hello
Hello again
(Mmm mmm, I say)
Hello
(Ello)
Hello again
(Yeah)Oh when there's nothin'
Nothin' left to lose
You leave it all, to fade to blue
Ooo eah, yeah(Wanna feel)
Electric
(Wanna feel)
Loose
(You wanna be)
Eclectic
You wanna call a truce
(Look)
At the profile, starin' at the flame
(Wait)

For the sunshine, standin' in the rainHello
(Uh oh)
Hello again
(I said hello)
Hello
(Hello)
Hello
(Hello again)
(I say hello)
Hello
(Ello)
Hello againHello
(Uh oh)
Hello again
(Ooo ooo)
Hello
(Mmm mmm hello)
Hello
(Uh mmm, I said hello lo lo lo lo)
Hello
Hello
(Ahah)
