

# Hello Again

## The Cars

Hello, hello again  
Hello, hello again You might have forgot the journey ends  
You tied your knots and you made your friends  
You left the scene without a trace  
One hand on the ground, one hand in space Oh you passed on mercy, you tried the rest  
You gave your body, you gave your best  
Stare at the green door livin' in the sky  
You don't wanna know it, you just wanna fly Hello  
(Hello)  
Hello again  
(Uh oo mmm hmm yeah)  
Hello  
(Hello)  
Hello again  
(Ah hmm, that's right) I know  
(I know you're a dreamer)  
Mmm mmm, who's under the gun  
I know  
(I know you're a dreamer)  
Who's only just begun (Hello)  
Hello  
Hello again  
(Mmm mmm, I say)  
Hello  
(Ello)  
Hello again  
(Yeah) Oh when there's nothin'  
Nothin' left to lose  
You leave it all, to fade to blue  
Ooo eah, yeah (Wanna feel)  
Electric  
(Wanna feel)  
Loose  
(You wanna be)  
Eclectic  
You wanna call a truce  
(Look)  
At the profile, starin' at the flame  
(Wait)

For the sunshine, standin' in the rainHello

(Uh oh)

Hello again

(I said hello)

Hello

(Hello)
