

# My Business

**John Hiatt**

[Chorus:]

My baby don't like my business

My baby don't like my business

You know she don't like my business

My baby don't like my business now She take me out to a party

Then she act like she don't know me

I don't know how we got it started

Some day I'm gonna set her free

[Chorus] She wakes me up in the mornin'

Cold coffee and a crust of bread

Pillows fluffed up like a body

I look over and there ain't no head [Chorus]

Well I go to work broken hearted

She's down at the new dress shop

I come home it's like a funeral parlor

She wanna put me down in that box [Chorus]
