## Virgin Prunes

Caught up in my own world full of emptiness

Hiding in the dark and I'm all alone

Screaming at the sound of silence

And a part of me who I am has gone away

And she hadn't got a love of her own

No she hadn't got a love of her own And he went... la la la la la la la la

She cried out... la la la la la la la la "The thing I wanted more than anything

I tried but couldn't see why

I may understand one day but

Perhaps, I'll never know..."And he went... la la la la la la la la

She cried out... la la la la la la la la

And she hadn't got a love of her own

No she hadn't got a love of her own
