

I Wanna Dance With Somebody

Whitney Houston

Huh, yeah, woo, hey yeah, huh
Ooh yeah, uh huh, yeahI want to danceClock strikes upon the hour
And the sun begins to fade
Still enough time to figure out
How to chase my blues awayI've done alright up till now
It's the light of day that shows me how
And when the night falls, the loneliness callsOh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves meOh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves meI've been in love and lost my senses
Spinning through the town
Sooner or later the fever ends
And I wind up feeling downI need a man who'll take a chance
On a love that burns hot enough to last
So when the night falls
My lonely heart callsOh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves meOh, I wanna dance with somebody
I wanna feel the heat
Yeah, I wanna dance with somebody
With somebody who loves meSomebody who, somebody who
Somebody who loves me, yeah
Somebody who, somebody who
To hold me in his arms ohI need a man who'll take a chance
On a love that burns hot enough to last
So when the night falls, my lonely heart callsOh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves meOh, I wanna dance with somebody
I wanna feel the heat with somebody
Yeah, I wanna dance with somebody
With somebody who loves meHoo, hoo, dance, c'mon baby
Woo, yeahWoahDon't ya wanna dance with me baby?
Don't ya wanna dance with me boy?
Hey don't ya wanna dance with me baby?

With somebody who loves me
Don't ya wanna dance? Say you wanna dance

Don't ya wanna dance?

Don't ya wanna dance? Say you wanna dance

Don't ya wanna dance?

Don't ya wanna dance? Say you wanna dance, uh huh
With somebody who loves me

(Hoo, hoo)

Dance

(Hoo, hoo, hoo)

Hoo, hoo, hey baby
