Amen

Ed Gein

You're supposed to serve a higher power, but instead you serve the will of your tiny dick. a pervert of the cloth, taking cover behind the church. praying on your brothel (of alter boys). I'd love to kick the holy shit out of you "father." and the pope is no better; saying you'll be punished in heaven. imaginary justice in an imaginary afterlife. but until then, the church of molestation is in session. "suck my dick for a free ride to heaven!"
