

Fearless Boogie

Zz Top

Call me a pretty boy
They call me a saint
They call me a sinner
It's gonna be the same
Now I'm not afraid
And I'm not a fear
I ain't gonna lose it
And I'm not scared
To do the fearless boogie
To do the fearless boogie
Smoking fearless boogie
Until it's gone
They call me a Pontiac
The red in my neck
They call me a Cadillac
They call me a wreck
Ah, I'm not afraid
And I'm not scared
Now I ain't gonna lose it
No, I'm not a fear
And do the fearless boogie
To do the fearless boogie
Smoking fearless boogie
Until it's gone
Call me a lover
Or call me a fool
They call me a winner
They call me a mule
And do the fearless boogie
Do the fearless boogie
Smoking fearless boogie
Until it's gone, let me gonna hear it
I can see it gone everywhere
