

Little Joe (they're Out To Get Ya)

Lobo

Thumbing Å¿??cross Georgia
I ran into Gloria
She seemed like a mystery to me
With the wave of the hand
She could make you feel grand
That was the mystery

Now I'll admit
She knew a lot of tricks
But so do lots of other chicks

She didn't do it like you can do magic
She didn't do it to me
She didn't do it like you can do it
She didn't do magic to me

Hiking through Virginia
I met Melinda
She looked enchanting to see
She said Å¿??Give me your arms
And I'll show you my charmsÅ¿??
That was the sorcery

I'll say it I will
She had a lot of skill
But compared to you she was way downhill

She didn't do it like you can do magic
She didn't do it to me
She didn't do it like you can do it
She didn't do magic to me

Arriving in Cleveland
Coming to see ya
Get your crystal ball out of the drawer
Å¿??Cause I can tell
You've been using your spell
And baby I know what for

The magic you loaned me

Was to bring me home
And baby my love for you has grown

So you better do it like you can do magic
You better do it to me
~Cause she didn't do it like you can do it
She didn't do magic to me

She didn't do it like you can do magic
She didn't do it to me
She didn't do it like you can do it
She didn't do magic to me
