Calling All The People

4 Non Blondes

How can you tell, when your wellness is not well
Make no mistakes now, yeah
Please do excuse my itchy attitude
I'm feelin' righteous, oh
Why, why are we always asking why
To lamely try to justify for what it is a lack of drive
Calling all the people, have you nothin' brewin'
Time to flap your big fat mouth, let's rap how we be doin'
Say might what you say
That's really all it takes to break through
Where is it at
When your moral is a hat full of money, yeah
Can you explain the messy kitchen sink
Gets so confusing you know
Why, why are we always asking why
To lamely try to justify for what it is a lack of drive
Calling all the people, have you nothin' brewin'
Time to flap your big fat mouth, let's rap how we be doin'
Say might what you say
That's really all it takes
Calling all the people, have you nothin' brewin'
Time to flap your big fat mouth, let's rap how we be doin'
Say might what you say
That's really all it takes to break through, well let's say again
Calling all the people
Calling all the people
Calling all the people
Calling all the people
