

# The Bleeding

## Five Finger Death Punch

I remember when all the games began  
Remember every little lie and every last goodbye  
The promises you broke, words you choked on  
And I never walked away, it's still a mystery to me  
Well, I'm so empty, I'm better off without you  
And you're better off without me  
Well, you're so unclean, I'm better off without you  
And you're better off without me  
The lying, the bleeding, the screaming  
Was tearing me apart  
The hatred, deceiving, the bleeding  
It's over  
Paint the mirrors black to forget you  
I still picture your face and the way you used to taste  
Roses in a glass, dead and wilted  
To you this all was nothing, everything to you is nothing  
Well, you're so filthy, I'm better off without you  
And you're better off without me  
Well, I'm so ugly, you're better off without me  
I'm better off without  
The lying, the bleeding, the screaming  
Was tearing me apart  
The hatred, the beatings, disaster  
It's over  
As wicked as you are  
You're beautiful to me  
You're the darkest burning star  
You're my perfect disease  
The lying, the bleeding, the screaming  
Was tearing me apart  
The hatred, the beatings, it's over  
Disaster  
The lying, the bleeding, the screaming  
Was tearing me apart  
The hatred, the beatings, it's over  
Disaster  
It's over now
