

# Back In Your Head (Live at Bridge School Benefit)

## Tegan and Sara

Build a wall of books between us in our bed  
Repeat, repeat the words I know we both said  
Relax into the need we get so comfortable

Remember when I was so strange and likeable I just want back in your head

I just want back in your head  
I'm not unfaithful but I'll say  
When I get a little scared  
When I get a little scared

When I get a little When I jerk away from holding hands with you

I know these habits hurt important parts of you  
Remember when how sweet and unexplainable

Nothing like this person unloveable I just want back in your head

I just want back in your head  
I'm not unfaithful but I'll say  
When I get a little scared  
When I get a little scared

When I get a little Run, run, run  
Run  
Run, run, run

Run I just want back in your head

I just want back in your head  
I'm not unfaithful but I'll stray  
I'm not unfaithful but I'll stray  
I'm not unfaithful but I'll stray  
I'm not unfaithful but I'll stray
