Look My Way

Kieran Goss

It's the first glance just for you alone
It's the last dance before the journey home
It's a lesson to learn to see the chance is yours to takeIt's the first kiss, hold her in your arms
Oh the nearness, falling with her charms
It's a lesson, to learn to see the choice is yours to makeLook my way
There's a smile on my face
Yesterday
Just another time and place
Don't delay
Cos the joy is in the chasing of the dreamIt's the first break, spinning of the wheel
It's the handshake, closing of the deal
It's a lesson, to learn to see the chance is yours to takeAnd I've lived to learn, in love there's always pain
So I wait in line, it's coming round again
Got to take the chance or you'll never win the game
And the world will pass you byIt's the first day, hear the baby cry
Such a short way, before we say goodbye
It's a lesson, to learn to see that time is all it takes
