Mio Amore

The Flamingos

Mio Amore
Take my lips and a kiss them
Take my love
Take my hands and hold them
I am yours my love
Till the end of time
Mio Amore
Take my arms let them hold you
Take my love
Take my eyes let them show you
I am yours my love
Till the end of time
Whoooo
Till the end
Till the end
Till the end
Till the end
Of time
Oh my love
Oh my love
Can't you see
Wooooo
Our love was meant to be
Oh my love
Oh my love
You were meant for me
Mio Amore
Take my heart and my soul
Take my love
Our love will never run cold
I am yours my love
Till the end of time
Whooooo
Till the end
Till the end
Of time
Of time
