

# Mio Amore

## The Flamingos

Mio Amore  
Take my lips and a kiss them  
Take my love  
Take my hands and hold them  
I am yours my love  
Till the end of time  
Mio Amore  
Take my arms let them hold you  
Take my love  
Take my eyes let them show you  
I am yours my love  
Till the end of time  
Whoooo  
Till the end  
Till the end  
Till the end  
Till the end  
Of time  
Oh my love  
Oh my love  
Can't you see  
Wooooo  
Our love was meant to be  
Oh my love  
Oh my love  
You were meant for me  
Mio Amore  
Take my heart and my soul  
Take my love  
Our love will never run cold  
I am yours my love  
Till the end of time  
Whooooo  
Till the end  
Till the end  
Of time  
Of time
