

# Love Me

Sean Kingston

Uh uh uh uh oh ooh  
Why'd you have to go-oh  
Away from home  
Me love.

Uh uh uh uh oh ooh  
Why'd you have to go-oh  
Away from home  
Me love.

See the first time me looking at your eyes  
Me be tell you wants a guy like me -guy like me  
We use to ave good times on the evening  
Me and you chilling on da beach -on the beach  
We use to kiss and caress an trust me  
Girl it feels so sweet -feels so sweet  
Then one day you move  
Now I'm feelin kinda blue

Cause we had to see you leave -you leave  
I feel like I'm drowning in the ocean  
Somebody come and take me away

Uh uh uh uh oh ooh  
Why'd you have to go-oh  
Away from home  
Me love.

Uh uh uh uh oh ooh  
Why'd you have to go-oh  
Away from home  
Me love.

Now I'm sittin in a chair with no one here  
And I'm feelin all alone -all alone  
Thinkin to myself like

Damn why my baby up and gone -up and gone  
It's like I'm missin her and I know she's missin me- missin me  
It's been two years an a half in July will make it three. -make it three  
I feel like I'm drownin' in da ocean  
Somebody come and take me away  
Uh uh uh uh oh ooh

Why'd you have to go-oh  
Away from home

Me love.  
Uh uh uh uh oh ooh  
Why'd you have to go-oh  
Away from home  
Me love.  
Why you leave me, wh-why you leave me  
Baby tell me, ba-baby tell me  
Why you leave me, wh-why you leave me  
Why you leave me  
Why you leave me, wh-why you leave me  
Baby tell me, ba-baby tell me  
Why you leave me, wh-why you leave me  
Why you leave me  
I feel like I'm drowning in the ocean  
Somebody come and take me away  
Uh uh uh uh oh ooh  
Why'd you have to go-oh  
Away from home  
Me love.  
Uh uh uh uh oh ooh  
Why'd you have to go-oh  
Away from home  
Me love.  
Uh uh uh uh oh ooh  
Why'd you have to go-oh  
Away from home  
Me love.  
Uh uh uh uh oh ooh  
Why'd you have to go-oh  
Away from home  
Me love.  
Why you leave me, wh-why you leave me  
Baby tell me ba-baby tell me  
Why you leave me, wh-why you leave me
