

Father and Son

Aled Jones

It's not time to make a change,
Just relax, take it easy.
You're still young, that's your fault,
There's so much you have to learn.
Find a girl, settle down,
If you want you can marry.
Look at me, I am old, but I'm happy. I was once like you are now, and I know that it's not easy,
To be calm when you've found something going on.
But take your time, think a lot,
Think of everything you've got.
For you will still be here tomorrow, but your dreams may not. How can I try to explain, when I do he turns away
again.

It's always been the same, same old story.
From the moment I could talk I was ordered to listen.
Now there's a way and I know that I have to go away.
I know I have to go. It's not time to make a change,
Just relax take it easy.
You're still young, that's your fault,
There's so much you have to learn.
Find a girl, settle down,
If you want you can marry.
Look at me, I am old, but I'm happy.
