I Belong To You

Caro Emerald

Hoo hoo baby
Alright
Yeah
In a world when dreams are few
You've got me baby, I've got you
You're the one that makes
Me feel brand new
Sometimes love can wear you out
Chill your soul baby, make you doubt
That you'll never find
The one that's true
All of my life I've longed for this
Someone who makes me happy
Let's seal this moment with a kiss
I wanna know and nothin's gonna stop me 'cuz
I've been to the bottom, now I'm back on top
When I'm feelin' the rhythm as we start to rock
When ya get down to it
I belong to you
Hey baby
Though I'm not afraid to let it show
I'll tell the world, I want everyone to know
There's nobody does
Me like you do, boy
(Like you do, like you do)
All of my love is yours tonight
I live to make you happy
Nothin' has ever felt so right
I want it all and nothin's gonna stop me 'cuz
I've been to the bottom, now I'm back on top
When I'm feelin' the rhythm as we start to rock
When ya get down to it
Boy, you know, I belong to you
When you touch me tender and you reach my soul
When I start to weaken and I lose control
When you get down to it
I belong to you
To you
Say that you love me boy and I'll make it right

Hoh yeah
I'll rock your heart and soul till the morning light
Boy no
I will, oh yeah yeah
You know I belong to you
And you belong to me
All of my love is yours tonight
I live to make you happy
Nothin' has ever felt so right
I want it all and nothin's gonna stop me 'cuz
I've been to the bottom, now I'm back on top
When I'm feelin' the rhythm as we start to rock
When ya get down to it
I belong to you
I belong to you
When you touch me tender and you reach my soul
When I start to weaken and I lose control
When you get down to it
I belong to you
I belong to you, baby
You belong to me
I belong to you
You belong to me
I belong to you
You belong to me
When ya get down to it
I belong to you
I belong to you, baby
You belong to me
I belong to you
You belong to me
I belong to you
You belong to me, yeah
