Spirit Of The Water

Camel

(Bardens)
See the lights out on the water
Come and go, to and fro
In the time it takes to find them
You can live, you can die
And nothing stops the river as it goes by
Nothing stops the river as it goesAll alone and all together
Every day, come what may
By the time we find each other
We can live, we can die
And nothing stops the river as it flows by
Nothing stops the river as it goesAndrew Latimer: Flutes
Peter Bardens: Piano, Lead Vocals
