Os Mutantes

Respirar o amar se dar se ser um om shiva
Om shiva, om shiva om, namashivaia om (4x)The magic of the wind,
The body of a wife
Tree of life
Magic morning lightShanti om vadesh
The blood of a christ
Sweet as budda s eyes
Enlightment for the one
Who has the inner light?
Who has the inner light?Respirar o amar se dar se ser um om shiva
Om shiva, om shiva om, namashivaia om (2x)Gopala krishna om
The snake runs in my life
As lies in my hands
The river of delight
Illuminating sound
Nada brahma om
Saudade de um olhar
O prahna da manhÃ£
