## Public Enemy

I'm cold gettin' busy while I'm shakin' you down  
I'm on the air, you're on the ground  
Chuck D, the enemy, words you heed  
Build for speed, but what you need is  
Funky fresh lyrics fallin' down on time  
Your enemy poppin' it, droppin' a dime  
Comin' back rockin' a tomahawk jam  
And still gettin' fly with the mike in my hand  
I'm cold coolin' out, layin in the shade  
Dealers buggin cause they're gonna get sprayed  
Their intimidator, your Scarface  
What's goin' on (huh) what's takin' place  
I don't wear gold but I clock ducats  
And I have the money overflowing out of buckets  
You want crazy dollars, I make people holler  
You stick 'em stupid and I'm snatching biters collars  
I'll rebuilt the mine to alleviate  
Unnecessary pressures that can create  
The sting that stung Yama-Goochie Foo Yung  
When he bit the Public Enemy he only got hung  
Cause his brain was gettin' bigger than a pregnant toad  
His heartbeat stopped cause of overload  
I made the beat that broke his back  
I cut his circulation made his world turn back  
I find out things like E.S.P.  
Amazing world of Kreskin's brain velocity  
Like Alexander Munday, I'm in like Flint  
Mercedes limousine with a hardcore tint  
I'm captain of the ship, I make 'em walk the planks  
Riding round the world, hundred sixty million francs  
Not like the kind that you put on the grill  
Cause I only do it like that when I'm on a chill hill  
When I get to the beach, the ground's so sandy  
Girls on my jock like ants on candy  
Checking out the fellas with the girls on the side  
Put ya boat in the water, let's take a ride  
to the land of party people rocking shocking to the beat  
So keep ya eyes on ya girl cause ya know I'm gonna cheat  
I'm gonna max and relax and chill my will

Body rockin', brain shockin' makes your heart stand still  
I'm goin' for the money that man ever made  
Gettin' thrill from orders, suckers obeyed  
It's gettin' late and I can't wait  
To drive by the bus and rock my tape  
My car is movin', fast like a train  
Never skid off the road, even in the rain  
Cold dodgin' tickets, rockin' all the jams  
Make biters step back and understand
