

# On Your Knees

## Stakka Bo

Lately, she's been thinking what her daddy said  
How when you're winning, you got more friends  
But are they your friends if you fall they're gone?  
Something about those kind of people seems wrong  
Who's gonna be there when the phone call knocks her down?  
All of the steeples but she can't hear a bell sound  
Jumps on a bus to head downtown  
And picks up the paper that's been blowing around, it says  
When your heart breaks, He'll hurt for you  
Dreams are out of reach, He'll pull you through  
When you lose hope all you gotta do  
Is get on your knees again  
Not long now and you're gonna see  
No mountain's too high for you or for me  
Or fall too far if you can believe  
And get on your knees, on your knees again  
She folds up the paper and puts it in her bag  
Knows she really needs a savior like that  
Walking past her church just up the street  
Says, "Maybe it's time to get on my knees"  
'Cause He was there when no one was around  
All of the people but no one made a sound  
Thinks of her brother who's been feeling down  
Pulls out the paper and reads it aloud  
When your heart breaks, He'll hurt for you  
  
Dreams are out of reach, He'll pull you through  
When you lose hope all you gotta do is  
Get on your knees again  
Not long now and you're gonna see  
No mountain's too high for you or for me  
Or fall too far if you can believe  
And get on your knees, on your knees again  
You've given everything you've got  
Still it's hard to believe  
Love comes from the inside out  
If you wanna be free  
Ya gotta give your love and never stop  
When you think about giving up

Get on your knees  
When your heart breaks, He'll hurt for you  
Dreams are out of reach, He'll pull you through  
When you lose hope all you gotta do is  
Get on your knees again  
Not long now and you're gonna see  
No mountain's too high for you or for me  
Or fall too far if you can believe  
And get on your knees, on your knees again  
On your knees again, on your knees again  
When you've giving everything you've got  
Ya gotta give your love and never stop
