Hold On to Jesus

The O.C. Supertones

Hold on to Jesus
And tell Him about everything
Your dreams and your troubles
Pure hearts desire one thingAnd mine is to know You
Mine is to break down
And shatter to pieces
And lose everything I've foundI'm learning that nothing worth anything is cheap
I'm learning the path is thin and the grade is steep
And that the altars where we lay ourselves will crack when tested
And that there's only one that turns our hearts to goldHold on to Jesus
Tell him about everything
Your dreams and your troubles
Pure hearts desire one thingAnd mine is to know You
Mine is to break down
And shatter to pieces
And lose everything I've foundI'm finding that I'm not who I once thought I was
I'm finding I'm powerless to obtain Your love
And that the only gifts I bring to You are rags and failures
Through a strange exchange You've made them myrrh and goldHold on to Jesus
Tell Him about everything
Your dreams and your troubles
Pure hearts desire one thingAnd mine is to know You
Mine is to break down
And shatter to pieces
And lose everything I've found
And lose everything I've found
Lose everything I've found
