Slave to Love (12" Remix)

Bryan Ferry

Tell her I'll be waiting
In the usual place
With the tired and wearyThere's no escape
To need a woman
You've got to knowHow the strong get weak
And the rich get poor
You're running with meDon't touch the ground
We're restless hearted
Not the chained and boundThe sky is burning
A sea of flame
Though your world is changingI will be the same
The storm is breaking
Or so it seemsWe're too young to reason
Too grown up to dream
Now spring is turningYour face to mine
I can hear your laughter
I can see your smileNo I can't escape
I'm a slave to love
