## From My Own True Love (Lost at Sea)

## **The Decemberists**

Four score years
Living down in this rain swept town
Sea salt tears

Swimming round as the rain comes downMr. Postman, do you have a letter for me?

Mr. Postman, do you have a letter for me?

A letter for meFrom my own true love

Lost at sea

Lost at seaMr. Postman, do you have a letter for me?

Mr. Postman, do you have a letter for me?

A letter for meFrom my own true love

Lost at sea

Lost at sea
