

La La Love You

Pixies

Yeah, yeah, yeah
I love you
I do
I love you All I'm sayin' pretty baby
La la love you don't mean maybe
All I'm sayin' pretty baby
(First base, second base, third base, home run) Yeah, yeah, yeah
I love you
I do
I love you All I'm sayin' pretty baby
La la love you don't mean maybe
All I'm sayin' pretty baby La la love you don't mean maybe
All I'm sayin' pretty baby
La la love you don't mean maybe All I'm sayin' pretty baby
La la love you don't mean maybe
All I'm sayin' pretty baby
