

# Sorry I'm Not Sorry

Tessa Violet

You were a prince,  
or so I thought  
You swept me off my feet then carried me off.  
Spent time with me,  
just us two,  
as long as it wasn't too inconvenient for you. He's a bulldozer, so move out of the way,  
'cause you're not in the plan until another day.  
He's so hardheaded so you'd best get along,  
'cause he don't need forgiveness if he's never wrong. Now, I'm not sorry to leave you on your own  
I'm not sorry; leave your message at the tone. [beep]  
I'm not sorry, and you can disagree.  
Sorry, I'm not sorry,  
But it was you, not me. C'est la vie-e-e  
C'est la vie-e-e  
C'est la vie-e-e  
C'est la vie-e-e  
C'est la vie. My needs were small.  
Your needs were grand.  
I'm sorry I embarrass you by holding your hand.  
Compromise  
you would define  
as you walkin' all over me while I step back in line. He's a bulldozer, so move out of the way,  
'cause you're not in the plan until another day.  
He's so hardheaded so you'd best get along,  
'cause he don't need forgiveness if he's never wrong. Now, I'm not sorry to leave you on your own  
I'm not sorry; leave your message at the tone. [beep]  
I'm not sorry, and you can disagree.  
Sorry, I'm not sorry,  
But it was you, not me. C'est la vie-ie-ie. (x4)  
C'est la vie. Now, I'm not sorry to leave you on your own  
I'm not sorry; leave your message at the tone. [beep]  
I'm not sorry, and you can disagree.  
Sorry, I'm not sorry,  
But it was you, not me.  
C'est la vie-e-e  
C'est la vie-e-e  
C'est la vie-e-e  
C'est la vie-e-e C'est la vie-e-e  
C'est la vie-e-e

C'est la vie-e-e  
C'est la vie-e-e  
C'est la vie
