I Believe in You

Mel Tillis

This is all I need to be
Bound to use the same as free
The key is understanding
I'll believe in you
You saw me and let me know
To me, reveal my soul
I gave up all everything
I was taught was real
Life was just a way to die
'Til you taught me to feel
Now I believe in me
You gave me a reason to
Took me in and cared for me
You believed in me
And I believe in you
