And yes I rock it all, dedications to my dogs
And all my friends that stayed down with yo boy man this for ya'll
I let the people see how it can be done
They watchin and soapin innerseptions so I run
Now stay up on yo grind, that's what the big man say

Now they here my name like wait

Clap five times to my sound, DJ Montay on the beat DJ Montay on the beat
[chorus]Hey,Hey
Ok now here we go slurpin on 24's
Blowin on ben and dro

If ten was at the table five had to go
And that's just how it go, I saved it for the game
We bruoght it to the game, Big go baby do yo thang
Got diamonds on my neck, the neck match the ill, the ill match the watch,
the watch match the gear
Now this will be my year, before we let them burn
Put that in yo blunt and smoke it, you live and you learn

When my uncle walk come home we throwin 4's in the air throwin 4's everywere

Now everybody now my

Yo boy is Fredrick Doug, I sue wassup whats happenin

You see if you put me on, Big gon find me at last
I'm biddin it's a blast, I met up with the camp
Now gon and bring it back, I got the heart of a champ
These niggas said they vets, they only gettin slimmer
They lookin good for breakfast, I ate them up for dinner
I shoots them in they center, put some holes in yo tummy

The money started comming, the hoe's started shakin
They probably got the profit, the hatas started hatin
