

# Funny Thing She Said

[Riley Walker](#)

Funny thing she said to me  
I could see you giving me a child  
But your roaming eye  
You're going to give them what is mine  
How you come with the day  
And you leave with the night  
Your lips taste like honey  
But I know you're drinking wine  
And I'm no easy meadow  
There is no water to drink  
And hey why the long face boy  
Have you even thought of me  
Funny thing she said to me  
Why'd you even come over last night  
You're chiming in the wrong shade of blue  
Saturday night meant nothing, but I know that Sunday was true  
How you come with the day  
And you leave with the night  
Your lips taste like honey  
But I know you're drinking wine  
And I'm no easy meadow  
There is no water to drink  
And hey why the long face boy  
Have you even thought of me
