

Dirty World

Dope

It's the best excuse in the world to join the party
Baby, what you do to me
Your sex intoxicated me
Well, I'm addicted to the way you move
Oh, I wanna touch you
'Cause it's a dirty world
Yesterday's trash teen
Hollywood's beauty queen
And she's a dirty girl
Tattoos, cigarettes, cocaine, no regrets
Nothing's for free in the dirty world
I wanna taste you and violate you
'Cause I'm addicted to the fantasy
I know you wanna fuck me
You wanna fuck me
'Cause it's a dirty world
Yesterday's trash teen
Hollywood's beauty queen
And she's a dirty girl
Tattoos, cigarettes, cocaine, no regrets
Nothing's for free in the dirty world
Red light, heaven sent
Little miss innocent
Little miss innocent
And she's a dirty girl
Tattoos, cigarettes, cocaine, no regrets
Nothing's for free in the dirty world
We're living in a dirty world
And she's a dirty girl
We're living in a dirty world, dirty girl
Nothing's for free in the dirty world

Dirty world, dirty girl
And she's a dirty girl
Living in a dirty world
Dirty world, dirty girl
You say you want it all
It's not impossible
You gotta take that hit

You won't get it for free
I want your body
Fuck me like an animal, like an animal
'Cause she's a dirty girl
Yesterday's trash teen
Hollywood's beauty queen
And it's a dirty world
Tattoos, cigarettes, cocaine, no regrets
Nothing's for free in the dirty world
Red light, heaven sent
Little miss innocent
Little miss innocent
And she's a dirty girl
Tattoos, cigarettes, cocaine, no regrets
Nothing's for free in a dirty world
We're living in a dirty world, dirty world
Yes, she's a dirty girl
We're living in a dirty world, dirty girl
Nothing's for free in the dirty world
Dirty girl, dirty world
Yes, she's a dirty girl
Living in a dirty world
Tattoos, cigarettes, cocaine
Dirty girl
