Words Without Meaning

3t

You told me you loved me
You told me you cared
You told me you needed me
But I guess those were words
Without meaningYou said I could trust in you
You said all was fine
You said that you spoke the truth
But I guess those were words
Without meaningYou told me you loved me
You told me you cared
You said, "Boy please
Don't worry about a thing"You said together we'd be
For the rest of our lives
You said that you hoped and dreamed
But I guess those were words
Without meaningI thought that you loved me
I thought that you cared
You lied straight to my eyes
And now I
Realize your words have no meaningCan't believe you told me
Words without meaning
