

# Can't Breathe

## Frozen Smile

What am I fighting? Afraid of losing  
It's like I'm not in control  
I'm watching myself fall down  
Thinking you won't be around  
You know you got my heart unlocked  
And even if I want to run, I can't go  
I don't wanna go, I don't wanna go, I don't wanna go  
I can't breathe, without you I get weak  
And I can't breathe, and I can't breathe  
And I can't breathe without you near me  
And I can't breathe and I can't live, without you I can't  
And I can't breathe, and I can't breathe  
And I can't breathe without you near me  
And I can't live and I can't live, without you I can't  
Maybe I make believe you're not different  
But you got me in love, don't want to be alone again, oh no  
I cannot function without you here  
My indecisions and all my fears  
Get higher, higher day by day  
Higher, higher but I can't go

I don't wanna go, got to let it go, I don't wanna go  
I get weak, without you I can't breathe, oh  
And I can't breathe, and I can't breathe  
And I can't breathe without you near me  
And I can't live and I can't live, without you I can't  
And I can't breathe, and I can't breathe  
And I can't breathe without you near me  
And I can't breathe and I can't live, without you I can't  
Oh, it's just not fair that, oh, I'm lost in your warmth  
And I just can't breathe, just can't breathe  
I'm coming up, coming up for breath  
And I can't breathe, and I can't breathe  
And I can't breathe without you near me  
And I can't breathe and I can't live, without you I can't  
And I can't breathe, and I can't breathe

And I can't breathe without you near me  
And I can't breathe and I can't live, without you I can't
