Actress

Tim Arnold

You're good at making everyone believe that they love you
A little wink of the eye, a little glimpse of the thigh and we're in heaven
Whether or not it's true
I believe in the concept of you
With personality
Destructing reality

Oh that dress the fact is I believe in the myth and the legend
No reality
Don't believe in everything I believe in a heightened emotion

Truth stings
And in a blink of an eye your life changes
What I came to know is you, had been replaced by something new
Oh what an actress

Whether or not it's true I believe in the concept of you
With personality
Destruct my reality

Oh actress, fact is, I believed in the myth and the legend
Thought I knew reality but you were training to be lost in a fantasy

Oh actress the fact is I believe in the myth and the legend
A new reality and I believe in everything
Swayed by a sense of devotion
