

# Everything Must Change

Oleta Adams

Everything must change  
Nothing stays the same  
Everyone will change  
No one stays the same

The young become the old  
And mysteries do unfold  
'Cause that's the way of time  
Nothing and no one goes unchanged

There are not many things in life  
You can be sure of

Except rain comes from the clouds  
Sun lights up the sky

And hummingbirds do fly  
Winter turns to spring  
A wounded heart will heal  
But never much too soon

Yes, everything will change  
The young become the old  
And mysteries do unfold  
'Cause that's the way of time

Nothing and no one goes unchanged  
There are not many things in life  
You can be sure of  
Except

Except rain comes from the clouds  
Sun lights up the sky  
And hummingbirds do fly

Rain comes from the clouds  
Sun lights up the sky  
And hummingbirds do fly

Rain comes from the clouds

Sun lights up the sky  
Hummingbirds do fly

Everything must change  
No one stays the same  
No one, no one  
Everyone must change  
Nothing

And the sun  
Hummingbirds  
Except the rain  
Except the music makes me cry
