

I Love You Drops (Re-Recorded In Stereo)

Bill Anderson

They're not teardrops, just sincere drops
They're I love you drops 'cause I love you
(I love you)They were on my pillow when I woke up this morning
They were on the letter I tried all day to write
And just a little while ago I saw them falling
On your picture as I kissed it goodnightI love you drops, I miss you drops
Hurry home drops, you've been gone so long drops
They're not teardrops, just sincere drops
That say I'm lonesome and I love you
(I love you)Never knew this heart could hurt
The way it hurts for you
Never lived so many lifetimes in a weekWhy don't you come back to me
The way you said you would
And kiss these little crystals off my cheekI love you drops, I miss you drops
Hurry home drops, you've been gone so long drops
They're not teardrops, just sincere drops
That say I'm lonesome and I love you
(Hurry home)
I love you
(I love you)
