

Snoop Bounce

Snoop Dogg

Ain't no funk, it's funky, it's Doggystyle
Ain't it funky nuff?
Death Row, Death Row
(Everybody knows I got more bounce than an ounce) Ain't no funk, it's funky, it's Doggystyle
Ain't it funky nuff?
Death Row, Death Row
(Everybody knows I got more bounce than an ounce) Shucks, stompin' in my big blue chucks
More bounce to the ounce while I'm ditchin' you clutz
Bump-bump-bump-bump while you're bumpin' your sounds
It's the zoo and the Pound we don't fuck around
Relax your mind and let your conscience be free
And get down, stompin' grounds is the LBC
I slid up out the game and MC's get wacked
But now I'm back, oh shit, so go get your strap Watch your head, I break with G's
Muslims, hardheads and dreds
Bounce, rock while rollerskatin'
On them 20 inch tyres wit the platinum Daytons
I'm not that BG poppin' all that junk
About "I'll fuck you up", he sound like a punk
I been there and done that, no inspiration
All day illustration beat conversation Ain't no funk, it's funky, it's Doggystyle
Ain't it funky nuff?
Death Row, Death Row
(Everybody knows I got more bounce than an ounce) Ain't no funk, it's funky, it's Doggystyle
Ain't it funky nuff?
Death Row, Death Row
(Everybody knows I got more bounce than an ounce) I keep niggas in the studio, word is bond
Been workin' on ya new album for two years strong
And still can't come up with the right song
You know what they say, "Study long, study long"
All aboard the train so come along
'Cos we keep the glue stuff against the bone
It's alright, ain't no room for wrong
Doggyland is the motherland, make yourself at home I got money loads by the barrels
I even got a few fans that's crazy like DeNiro
I'm international money maker, player hater
Shake up off the sake of spendin' dollars and I always holler
At a player though 'cos players know the real from the fake
You can put that on your toast, your coast and your state

I give you people what you like
 What I look like in jail and can't get on the mic
 Ain't no funk, it's funky, it's Doggystyle
 Ain't it funky nuff?
 Death Row, Death Row
 (Everybody knows I got more bounce than an ounce)
 Ain't no funk, it's funky, it's Doggystyle
 Ain't it funky nuff?
 Death Row, Death Row
 (Everybody knows I got more bounce than an ounce)
 Ain't no funk, it's funky, it's Doggystyle
 Ain't it funky nuff?
 Death Row, Death Row
 killin' up crews, give 'em the real street blues
 Have 'em slidin' in their eelskins, groovin' in their tennis shoes
 Of course it don't stop bein' a Westside ridah
 With no tattoo that's how they got the clue
 I lay conversation on wax and CD's
 BG's and o-riginals, here come the mission
 Makin' biters ride the Pound for the rest of the season
 Doggy DPG ya lil' homey, uhhI represent the LBC-ment
 Windows tint, nigga that's the president
 I hit you with a tune every blue moon
 Collard on your plate so you can stuff it in your face
 Nigga say your Grace before you touch your plate
 It taste like it's laced but it ain't
 This one puff uncut, no doubt
 Everybody know I got a ounce and a half
 Ain't no funk, it's funky, it's Doggystyle
 Ain't it funky nuff?
 Death Row, Death Row
 (Everybody knows I got more bounce than an ounce)
 Ain't no funk, it's funky, it's Doggystyle
 Ain't it funky nuff?
 Death Row, Death Row
 (Everybody knows I got more bounce than an ounce)
 Ain't no funk, it's funky, it's Doggystyle
 Ain't it funky nuff?
 Death Row, Death Row
 (Everybody knows I got more bounce than an ounce)
 Shucks
 Death Row, Death Row
 (Everybody)
 (Everybody knows I got more bounce than an ounce)
 Shucks
 Death Row, Death Row
