Innocent Erotic

East 17

Innocent erotic
You're my nightmare, my fantasy
Angel temptress, dream state or reality
Soul mate seducers here with you is where I wanna be
Friends, lover tell me what it is that you want from meSome words are better left unsaid
Though faults will keep them in your head
I know it's better to be sure
You'll see, it's you that I adore
Heaven or hell
What path should I pursue?
Paradise or purgatory
The place you take me to
Today, eternity
Don't care as long as I'm with you
Present, future - what's left for me to do?
