

# Dream Lover

**Tanya Tucker**

Every night I hope and pray  
A dream lover will come my way  
Hold in the lovin' arms  
And know the magic of her charms  
'Cause I want  
(I want)  
A girl  
(A boy)  
Just to call  
(To call)  
My own, I want a dream lover  
So I don't have to dream alone  
Dream lover, where are you with the love, oh, so true?  
And the hands that I can hold  
Count the minutes as we grow old  
'Cause I want  
(I want)  
A girl [unverified]  
Someday I don't know how, I hope she'll hear my plea  
Some way I don't know how, she'll bring her love to me  
Dream lover, until then I'll go to sleep and dream again  
That's the only thing I could do to make my lovin' dreams come true  
'Cause I want  
(I want)  
A girl [unverified]  
I want a dream lover so I don't have to dream alone  
Dream lover don't wanna dream  
(I don't wanna dream alone)  
Dream lover, dream out, dream out, dream lover  
(I don't wanna)  
Dream alone, dream lover, let's dream, dream lover  
Oh, my lovin' sweet dreams, dream lover
