

# Trash

## The Whip

I wanna, I wanna  
I wanna, I wanna  
I wanna, I wanna  
I wanna, I wanna

I wanna be trash  
I wanna be trash  
I wanna be trash  
I wanna be trash

And I have become the trigger for your gun  
And I have become the trigger for your gun  
And I have become the trigger for your gun  
And I have become the trigger for your gun

I wanna, I wanna  
I wanna, I wanna  
I wanna, I wanna  
I wanna, I wanna

I wanna be trash  
I wanna be trash  
I wanna be trash  
I wanna be trash

And I have become the trigger for your gun  
And I have become the trigger for your gun  
And I have become the trigger for your gun  
And I have become the trigger for your gun

I wanna, I wanna  
I wanna, I wanna  
I wanna

I wanna be trash  
I wanna be trash  
I wanna be trash  
I wanna be trash

And I have become the trigger for your gun

And I have become the trigger for your gun  
And I have become the trigger for your gun  
And I have become the trigger for your gun

I wanna be trash  
I wanna be trash  
I wanna be trash  
I wanna be trash
